## WHAT'S MY NAME (GOAL TEMPO: 114BPM )

### LEVELS

**LEVEL 1** is just the letter names — Perfect for an absolute beginner!

**LEVEL 2** is the same as level one, but written on the staff, like the pros use.

**LEVEL 3** adds some left hand notes to make the song sound even better.

**LEVEL 4** is complex, but sounds great even without the play-along track.

**LEVEL 5** is a guide for you to create your own version of the song, since there are so many ways to play any song! The suggested melody and chords are given as numbers in the scale, so you can play it in any key and any style.

### PLAY-ALONG TRACK

Your play-along mp3 has different versions of the song at different places in the track:

**0:00**—Slowest and includes the melody being played just like you should play

**2:00**—Same track but faster

**4:00**—Even faster! This is the goal speed (tempo)

**6:00**—Goal tempo, but with no melody and no applause at the end - this is what you should use to perform for your family and friends

**8:00**—Goal tempo with no melody or applause, plus it is in the suggested key from the upper levels
